

David Shpigler to Speak at Columbia University

Nyack, NY, July 5, 2002 - David Shpigler, President of The Shpigler Group, will speak at the CITI's (Columbia Institute for Tele-Information) 2nd PLC Conference on July 16th, 2002. David will participate in a panel discussion beginning at 10:00 a.m. and will discuss market opportunities for powerline technology and its competitive advantages and disadvantages relative to incumbent broadband access technologies. Details on the conference can be found [here](#).

The Shpigler Group is a strategy management consulting firm focused on the telecommunications and technology sector. The Shpigler Group works with utilities, municipalities, telecom service providers, and infrastructure and technology developers. For these clients, The Shpigler Group works to solve complex issues involving strategic assessment, market analysis, business case development, economic evaluation of network design, and competitive and partnership assessment. For more information about the firm, visit the company website at www.shpigler.com.
