

David Shpigler to Speak at CITI Conference at Columbia University

NYACK, NY, March 10, 2003 - David Shpigler, President of The Shpigler Group, will participate in the third conference study of powerline communications to be hosted by the Columbia Institute for Tele-Information (CITI). The conference, "Power Line Communications III: More Than A Scientific Curiosity...But Is It (Finally) The Long Awaited "Third Wire" To Every Home?" will be held on Thursday, March 20 at Room 309, Warren Hall, Columbia University. David will speak during a panel discussion entitled, "*Can PLC Compete with DSL and Cable Modems: Quality and Reliability, Customer Receptiveness, Price?*" to be held from 1:30 p.m. to 3:15 p.m. Details on the conference can be found [here](#).

The Shpigler Group is a strategy management consulting firm focused on the telecommunications and technology sector. The Shpigler Group works with utilities, municipalities, telecom service providers, and infrastructure and technology developers. For these clients, The Shpigler Group works to solve complex issues involving strategic assessment, market analysis, business case development, economic evaluation of network design, and competitive and partnership assessment.
