

The Shpigler Group to Participate in Technology Summit

Nyack, NY, March 26, 2003 - David Shpigler, President of The Shpigler Group, will address delegates at the City of Jacksonville Technology Summit, to be held April 3, 2003 from 8:00 a.m. to 4:00 p.m. at the Prime F. Osborne III Convention Center. The technology summit will profile Telecommunications Infrastructure: The Fundamental Infrastructure of the 21st Century, the city's Telecommunications Master Plan. David will address the topic of how the Master Plan can support the delivery of economic improvement for the City of Jacksonville in a presentation entitled, "*Telecommunications Infrastructure and Economic Development*".

The Shpigler Group is a strategy management consulting firm focused on the telecommunications and technology sector. The Shpigler Group works with utilities, municipalities, telecom service providers, and infrastructure and technology developers. For these clients, The Shpigler Group works to solve complex issues involving strategic assessment, market analysis, business case development, economic evaluation of network design, and competitive and partnership assessment. For more information about the firm, visit the company website at www.shpigler.com.
