

David Shpigler to Speak to Municipal Utilities

NYACK, NY, October 8, 2003 – David Shpigler, President of The Shpigler Group, will speak to attendees at the APPA Community Broadband Conference to discuss opportunities for municipal utilities to explore broadband initiatives. The conference will be held at the Kansas City Westin Hotel on October 12-15, 2003. David will speak during the pre-conference seminar at a day-long panel discussion entitled, *New Technologies for Delivering Broadband* to be held all day on October 12th. Details on the conference can be found [here](#).

The Shpigler Group is a strategy management-consulting firm focused on the telecommunications and technology sector. The Shpigler Group works with utilities, municipalities, telecom service providers, and infrastructure and technology developers. For these clients, The Shpigler Group works to solve complex issues involving strategic assessment, market analysis, business case development, economic evaluation of network design, and competitive and partnership assessment. For more information about the firm, visit the company website at www.shpigler.com.
