

David Shpigler to Speak at Fiber Conference

NYACK, NY, September 18, 2003 – David Shpigler, President of The Shpigler Group, will speak to attendees at KMI's 26th Annual Newport Conference to discuss new developments in broadband Power Line technology and the impact the industry will see in fiber deployments. The conference will be held at the Hyatt Regency Hotel in Newport, RI on September 29-October 1, 2003. David will speak at a session entitled, *Broadband Powerline Technology in the U.S.: Status Report and Outlook* on September 30th from 3:30 to 4:00 p.m. Details on the conference can be found [here](#).

The Shpigler Group is a strategy management-consulting firm focused on the telecommunications and technology sector. The Shpigler Group works with utilities, municipalities, telecom service providers, and infrastructure and technology developers. For these clients, The Shpigler Group works to solve complex issues involving strategic assessment, market analysis, business case development, economic evaluation of network design, and competitive and partnership assessment.
