

David Shpigler to Address Attendees of NoaNet Workshop

NYACK, NY, April 8, 2004 – David Shpigler, President of The Shpigler Group will address attendees of the Northwest Open Access Network (NoaNet) Regional Ethernet and Interoperability Workshop. The session will be held at the Red Lion Inn at Silverdale, WA on April 13-14, 2004. David will highlight recent developments in Broadband over Power Line and will highlight opportunities to utilize the technology for emergency communications and as an access alternative.

The Shpigler Group is a strategy management-consulting firm focused on the telecommunications and technology sector. The Shpigler Group works with utilities, municipalities, telecom service providers, and infrastructure and technology developers. For these clients, The Shpigler Group works to solve complex issues involving strategic assessment, market analysis, business case development, economic evaluation of network design, and competitive and partnership assessment.
