

David Shpigler to address conference attendees on emerging issues surrounding Distance Learning

NYACK, NY, January 27, 2004 – David Shpigler, President of The Shpigler Group will address attendees of the North Carolina Distance Learning Alliance Conference, to be held March 10-12, 2004 at the Fayetteville Technical Community College. The focus of the conference is on how using blended media can support learning, and David will address issues dealing with developments in broadband access and the impacts on Distance Learning. More information about the session can be found [here](#).

The Shpigler Group is a strategy management-consulting firm focused on the telecommunications and technology sector. The Shpigler Group works with utilities, municipalities, telecom service providers, and infrastructure and technology developers. For these clients, The Shpigler Group works to solve complex issues involving strategic assessment, market analysis, business case development, economic evaluation of network design, and competitive and partnership assessment.
