

The Shpigler Group to Present at 49th Annual Michigan Electric Power Conference

NYACK, NY, July 13, 2005 – David Shpigler, President of The Shpigler Group, will speak at the 49th Annual Michigan Electric Power Conference, to be held at Shanty Creek Resort & Club, Bellaire, MI on July 21-22, 2005. David will deliver a compelling presentation entitled, “Opportunities in Broadband Over Power Line.” The session will underscore the history and current status of BPL and provide an overview of the various network architectures and their possible applications. Other speakers will include, Ken Roth, Michigan Public Service Commission; and Gerry Wyse, Consumers Energy. The session will be held on Thursday, July 21, 2005 from 9:30 to 12:00 p. m.

The Shpigler Group is a strategy management-consulting firm focused on the telecommunications and technology sector. The Shpigler Group works with utilities, municipalities, telecom service providers, and infrastructure and technology developers. For these clients, The Shpigler Group works to solve complex issues involving strategic assessment, market analysis, business case development, economic evaluation of network design, and competitive and partnership assessment.
