**David Shpigler to Participate in Smart Grid and Energy Storage Roundtable Discussion**

MONTEBELLO, NY, August 6, 2009 – David Shpigler of The Shpigler Group will participate in a smart grid and energy storage roundtable being organized by the Kansas Corporation Commission in Topeka, Kansas on September 18, 2009. The presentation, entitled, *General Benefit Cost Analysis of Smart Grid*, will offer perspectives on the methodology and results associated with developing business case analysis of smart grid programs. David Shpigler will review some of the firm's work in the field, highlighting some of the results from some of The Shpigler Group's recent studies on the topic.

The conference will be held at Kansas Association of School Boards (KASB), 420 SW Arrowhead Road, Topeka, KS 66604. Information about the conference can be found [here](#).
